

VOTERS DECIDE

THE FUTURE OF AMERICA

What do you want to see in our future?

- Abortion
- Same-sex marriage
- Restrictions on religious freedom
- Prohibitions against prayer
- Ethical misconduct

Don't vote, and that's what you'll see!

If Evangelical Christians will bring the Biblical worldview into the voting booth, we'll turn the tide in our country.

We're 90 million strong, and we can decide the future of America.
